## 2020 EXPEDITIONS

# OUTERKNOWN ADVENTURES ON THE GREAT BARRIER REEF

Covering an area of over 2,300 kilometres, the Great Barrier Reef is the world's largest living structure. Home to an abundant array of marine and birdlife species, it is one of the seven natural wonders of the world.

Coral Expeditions pioneered expedition cruises on the Great Barrier Reef 35 years ago, and has now released new voyages that explore even further. Discover rainforest shores, uninhabited sand cays, remote islands and pristine reef systems. Our expert guides share their knowledge above and below the water, bringing you close to the natural wonders and wildlife, and giving you a deep understanding of this precious destination. Along the way, find freedom and sanctuary amidst this iconic seascape.

Secure your Great Barrier Reef booking today and have 30 days to pay your deposit with our Flexible Booking Policy.
